Subject: Application for Telesales Agent

Dear Hiring Team,

I am writing to apply for the **Telesales Agent** position at Mentors' Learning. With hands-on experience in telesales and customer service, along with my ongoing BBA studies, I believe I can contribute effectively to your target-driven sales team.

In my previous role as a **Telesales Executive at Live Shopping**, I handled inbound and outbound calls, responded to customer queries, processed orders, resolved product and delivery-related issues, and provided after-sales support. I also worked toward daily sales targets and prepared regular performance reports. This experience helped me develop strong customer communication, sales, follow-up, and problem-solving skills.

I also worked as a **Customer Service Executive at Pendulum Motion**, where I handled customer calls, resolved customer concerns, collaborated with team members, and consistently worked toward performance and quality targets. These experiences have prepared me to communicate confidently with customers, handle challenges professionally, and remain focused in a target-oriented environment.

I am currently pursuing a **Bachelor of Business Administration (BBA)** and have an **IELTS Academic overall band score of 6.5**. I am comfortable working with computers and Microsoft Office and am adaptable to flexible working schedules.

I would welcome the opportunity to discuss how my experience and skills could contribute to the telesales team at Mentors' Learning. Thank you for considering my application. I look forward to the opportunity to hear from you.

Sincerely,

Rasel Shikder
